Administration:

- Supervised 35 field study interns in social service placements.
- Coordinated placements and provided liaison between field supervisors and students.
- Served as project director: *Dating Relationships Research Survey*.
- Coordinated Southeastern Conference on Child and Family Development.

Teaching:

- Taught courses in Family and Child Development and Human Development.
- Presented research at professional meetings and throughout the community.

Social Worker. 1985 – 1987. *Department of Social Services*, Christiansburg and Pulaski, Virginia.

Counseling:

- Provided family therapy for high-risk clients.
- Provided child protective services which included investigating reports of child maltreatment and neglect, counseling, assessment and case management for parents found to be abusive.

Administration:

- Administered employment service program for recipients of Aid to Dependent Children, which encompassed counseling, career planning and coordination of education, training and work experience programs.

Teaching:

- Created, administered and evaluated courses entitled *Coping With Violence During Adolescence* for local schools.
- Participated in local multi disciplinary child abuse team and community education program.

Volunteer Coordinator. 1984 - 1985. *Women's Resource Center*, Radford, Virginia.

Counseling:

- Provided counseling, crisis intervention and advocacy for victims of domestic violence.
- Administered volunteer program, compiled statistical data and prepared monthly and annual reports on domestic violence volunteer program.
- Solicited, coordinated and distributed tangible and service donations from community organizations.

Teaching:

- Recruited, trained and supervised approximately 60 volunteers and college field placement students who provided crisis intervention, counseling and administrative support for the domestic violence program.

Consumer Affairs Coordinator. 1981 - 1983. *Army Community Service*, Augsburg, Germany.

Counseling:

- Provided individual and family financial counseling.

Administration:

- Developed and administered consumer program which encompassed financial counseling, debt liquidation, education and advocacy for a military community of approximately 20,000.
- Researched and prepared printed information on various consumer issues.
- Supervised four consumer specialists.

Teaching:

- Developed and conducted regional training seminars for consumer's affairs staff members.
- Created and presented briefings and training seminars on consumer issues relating to overseas living for all military personnel and community organizations.

Program Director. 1980 - 1981. *Youth Activities, Department of Army*, Augsburg, Germany.

Administration:

- Administered program that included planning, budgeting, publicity, personnel and community liaison.
- Supervised two recreation assistants and six instructors.
- Created and directed educational and recreational activities for approximately 500 children between the ages of 6 and 19.

AWARDS
